

# JOURNEY INTO THE WORD

2024-2025

A 2-YEAR BIBLE READING PLAN

*Journey into the Word* is a 2-year Bible reading plan developed by Grace Church that is designed to be engaging and achievable. Over the course of 2 years, participants will read all 66 books of the Bible in short, daily increments that are arranged in such a way as to keep continuity and variety in balance. The plan has a built-in “*Catch-up Day*” every Sunday because we know life gets busy. The congregation is encouraged to follow the plan together so that our private devotions will spill over into public conversation that is meaningfully Word-centered and mutually edifying.

*Join us on January 1, 2024, as we begin our  
Journey into the Word together.<sup>1</sup>*
